Goal

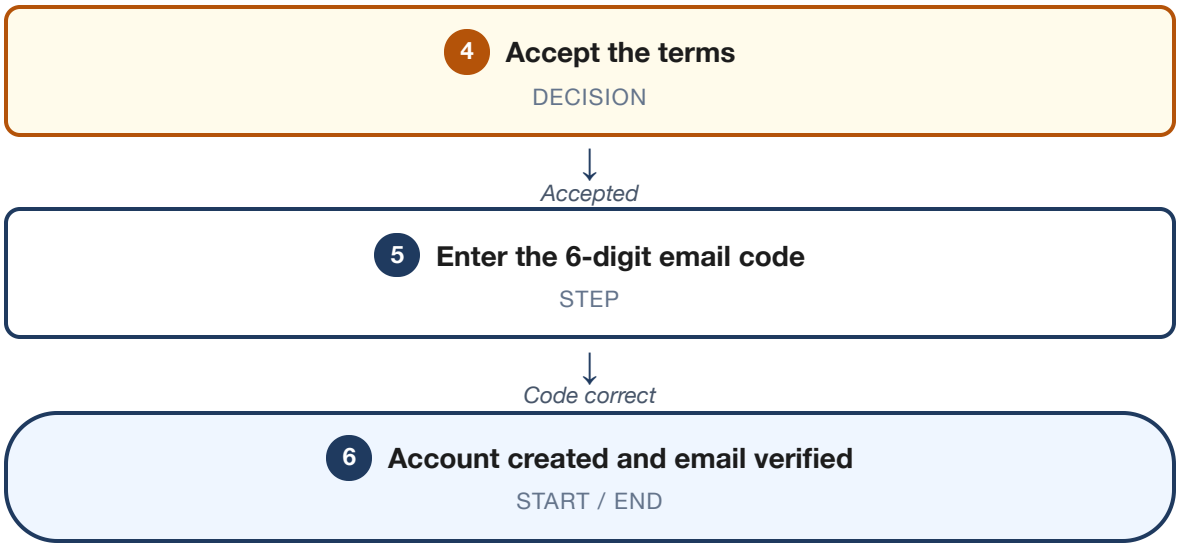

Create your OxSteed account so you can hire helpers, offer services, or run a business.

Before you start

1. Have an email address you can open right away; you will receive a 6-digit verification code.
2. Know your ZIP code; it is used to match you with nearby helpers and jobs.

Process map

- *Not accepted:* Accept the terms → Enter personal details and password
- *No code received:* Enter the 6-digit email code → Resend the code or edit details
- Resend the code or edit details → Enter the 6-digit email code

Text version. 1. Open the Join OxSteed page. 2. Under "I'm joining as", pick Customer, Helper, or Business Owner. 3. Enter your personal details and a password. 4. Accept the terms to continue. 5. Open the email OxSteed sent you and enter the 6-digit code. If the code never arrives, use "Resend code" or "Wrong email or phone? Edit details". 6. Your account is created and your email is verified.

Steps

Step 1: Open the join page and choose how you are joining

Choose Join in the top navigation, or open /join directly. The page heading is "Join OxSteed" with the subtitle "One account. Pick how you want to show up." Under "I'm joining as", select one of the mode cards: Customer ("Post jobs, hire helpers, shop the marketplace."), Helper ("Offer services, bid on jobs, build your reputation."), or Business Owner ("Run a service business with clients, invoices, and a team.").

> **Expected result:** The mode card you picked shows a check mark as the selected mode.

Step 2: Enter your personal details and a password

Fill in First name, Last name, Email address, and Phone number. Then complete the address section: Country, Street address, City, State, and ZIP code. Choose a password in the password field (a show-password toggle is available). Email availability is checked as you type.

> **Expected result:** Every field shows an entered value and no red validation errors.

Step 3: Accept the terms and continue

Tick the checkbox next to "I agree to OxSteed's" terms and privacy links, then choose Continue. Without the checkbox ticked, the form will not submit.

> **Expected result:** The form submits and the "Check your email" step appears.

Step 4: Verify your email with the 6-digit code

The page now shows "Check your email" with the hint "We sent a 6-digit code to" your address. Open the email and type the code into the code boxes, then choose "Verify Email & Continue". If nothing arrives, choose "Resend code". If you typed the wrong address, choose "Wrong email or phone? Edit details" to go back and fix it.

> **Expected result:** The code is accepted and you are signed in to your new account.

Confirm it worked

You land on your dashboard, signed in, and your email shows as verified. Your selected mode (Customer, Helper, or Business Owner) is active.

If something goes wrong

Problem	What to do
The email address is reported as already taken.	That address already has an OxSteed account. Use the sign-in guide instead, or choose "Forgot password?" if you cannot get in.
The 6-digit code never arrives.	Check your spam folder, confirm the address is spelled correctly with "Wrong email or phone? Edit details", then choose "Resend code". Wait a few minutes before requesting again.
The Continue button does nothing.	Look for a highlighted field: the terms checkbox must be ticked, and every required field must be filled. The ZIP code must be valid.
