## Goal

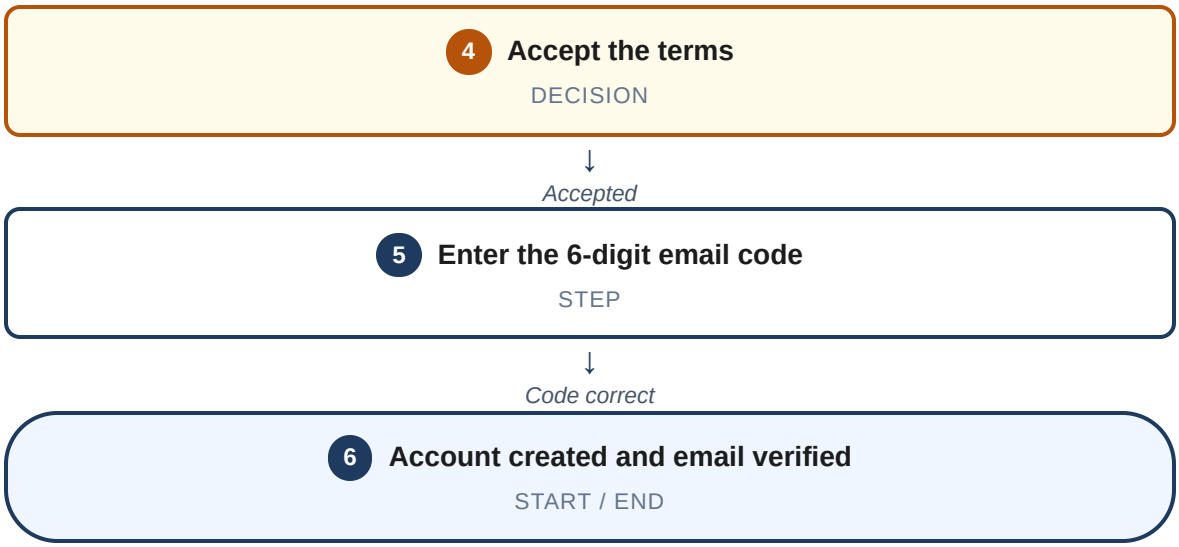

Create your OxSteed account so you can hire helpers, offer services, or run a business.

## Before you start

1. Have an email address you can open right away; you will receive a 6-digit verification code.
2. Know your ZIP code; it is used to match you with nearby helpers and jobs.

## Process map

- *Not accepted:* Accept the terms → Enter personal details and password
- *No code received:* Enter the 6-digit email code → Resend the code or edit details
- Resend the code or edit details → Enter the 6-digit email code

**Text version.** 1. Open the Join OxSteed page. 2. Under "I'm joining as", pick Customer, Helper, or Business Owner. 3. Enter your personal details and a password. 4. Accept the terms to continue. 5. Open the email OxSteed sent you and enter the 6-digit code. If the code never arrives, use "Resend code" or "Wrong email or phone? Edit details". 6. Your account is created and your email is verified.

# Steps

## Step 1: Open the join page and choose how you are joining

Choose Join in the top navigation, or open /join directly. The page heading is "Join OxSteed" with the subtitle "One account. Pick how you want to show up." Under "I'm joining as", select one of the mode cards: Customer ("Post jobs, hire helpers, shop the marketplace."), Helper ("Offer services, bid on jobs, build your reputation."), or Business Owner ("Run a service business with clients, invoices, and a team.").

> **Expected result:** The mode card you picked shows a check mark as the selected mode.

4. **4.** Business Owner card

## Step 2: Enter your personal details and a password

Fill in First name, Last name, Email address, and Phone number. Then complete the address section: Country, Street address, City, State, and ZIP code. Choose a password in the password field (a show-password toggle is available). Email availability is checked as you type.

> **Expected result:** Every field shows an entered value and no red validation errors.

## Step 3: Accept the terms and continue

Tick the checkbox next to "I agree to OxSteed's" terms and privacy links, then choose Continue. Without the checkbox ticked, the form will not submit.

> **Expected result:** The form submits and the "Check your email" step appears.

### Step 4: Verify your email with the 6-digit code

The page now shows "Check your email" with the hint "We sent a 6-digit code to" your address. Open the email and type the code into the code boxes, then choose "Verify Email & Continue". If nothing arrives, choose "Resend code". If you typed the wrong address, choose "Wrong email or phone? Edit details" to go back and fix it.

> **Expected result:** The code is accepted and you are signed in to your new account.

3. **3.** Resend code link

## Confirm it worked

You land on your dashboard, signed in, and your email shows as verified. Your selected mode (Customer, Helper, or Business Owner) is active.

## If something goes wrong

| Problem | What to do |
| --- | --- |
| The email address is reported as already taken. | That address already has an OxSteed account. Use the sign-in guide instead, or choose "Forgot password?" if you cannot get in. |
| The 6-digit code never arrives. | Check your spam folder, confirm the address is spelled correctly with "Wrong email or phone? Edit details", then choose "Resend code". Wait a few minutes before requesting again. |
| The Continue button does nothing. | Look for a highlighted field: the terms checkbox must be ticked, and every required field must be filled. The ZIP code must be valid. |
